Get a DT500 Single Tube Reader for Free!

Buy a DR900 Rack Reader and get a DT500 Single Tube Reader Free!

The high speed Micronic Rack Reader DR900 reads whole racks filled with 2D Data-Matrix coded tubes. The DR900 is a camera-based reader which reads and decodes the tubes in just 3 seconds. With the optional added 1D Side Barcode Reader, the 1D Rack Barcode can be read simultaneously in just 1 second. The Rack Reader DR900 works with the easy to install Micronic Code Reader Software which gives reliable code readings and can be smoothly integrated into any laboratory sample database.

Bundle includes:

MSMP35231   Micronic Rack Reader DR900

MSMP55126   Micronic Tube Reader DT500 (Free)

Please Reference Promo Code: MS0525C

Get a 3rd Single Tube Reader for Free!

Buy 2 DT510 Single Tube Readers and get a 3rd Single Tube Reader Free!

The Micronic Tube Reader DT510 is high-speed code reading at its best. The Micronic Tube Reader DT510 is the most versatile single tube reader in the market – it reads the 1D barcodes of the tube and the rack at the front of the reader and the 2D Data-Matrix code of the tube on top of the reader – in less than a second. The barcode scanner has a keyboard wedge functionality so that the scanned data can be sent to many applications. The unique feature of having separate code scanning locations ensures fast and accurate code reading.

MSMP55128   Micronic Tube Reader DT510 (third unit for free)
