---

All Racks are constructed of high grade, corrosion resistant stainless steel and come with an unconditional lifetime warranty on workmanship.

## Standard Side Access Racks for 2" & 3" Boxes

Constructed of high grade corrosion resistant stainless steel.

Handles located on both ends for easy handling.

Precision craftsmanship with tolerances of +/- 1 mm. Compartments accept all cardboard, plastic & metal boxes.

## Eco-Freezer Racks for 2" & 3" Boxes

Less surface area means... less frost.

Eco-friendly as this rack uses less stainless steel.

Same capacity & performance at a lower price.

Made with the same high grade & gauge corrosion resistant stainless steel.

Boxes rest on fins which makes the rack lighter... easier to get in and out of the freezer.
